Course Code: TGS-2026061321

A: Trainee Information

Trainee Name (as per NRIC): _____

Last 3 digits and alphabet of NRIC / FIN: _____

Date: _____

B: Instructions to Candidate

1. This is an individual, open-book assessment of underpinning knowledge.
2. A total of 1 hour is given to complete this Written Assessment.
3. Answer all questions in your own words in the space provided.
4. All questions are based on the concepts taught in LU1–LU4.

C. Answer all questions.

Q1. Distinguish between internal and external stakeholders of a brand, and explain why their level of influence over the brand can differ.

Answer:

Q2. Name the different types of external audience a brand must communicate with, and explain why each needs its own communication approach.

Answer:

Q3. When drafting a branding design or idea, why is it important to highlight the product or service's attributes and benefits rather than just its features?

Answer:

Q4. Describe how you would assess an organisation's reputation on social media and other platforms, and explain why this is the starting point for a branding decision.

Answer:

Q5. Explain what is meant by a "perception gap" between how a company sees its brand and how customers actually experience it, and why this gap matters.

Answer:

Q6. Explain how customers can influence a brand's reputation, and why their voice can have more impact than a paid campaign.

Answer:

Q7. Why is it important to document customer reception and the outcome of a branding campaign, rather than relying on general impressions?

Answer:

Q8. Describe the key elements of active listening, and explain how they help reveal a customer's true perspective of an organisation.

Answer:

Q9. List the basic elements that make up a brand's identity, and explain why consistency across these elements matters.

Answer:

Q10. Explain the role that branding plays within the marketing mix, and how it differs from a single marketing campaign.

Answer:

Q11. Describe how branding campaigns, events and activities can be used to increase brand awareness.

Answer:

Q12. Explain why a public-relations campaign must be aligned to the brand positioning strategy, operational plan and budget.

Answer:

Q13. Identify the different types of metrics used to measure an organisation's reputation, and explain why they must be tracked across multiple platforms.

Answer:

Q14. List indicators that show a branding effort has been successful, beyond just awareness.

Answer:

Q15. Describe the public-relations tactics a brand can use to extend its message beyond paid channels.

Answer:

Q16. Explain how monitoring a brand against SMART KPIs turns branding into a continuous-improvement process.

Answer:

For Official Use Only

Grade: _____ (C / NYC)
