Self-check — Brand Perception Audit

Tick each item you have completed. Any blank is a gap to close before your group presents at the debrief.

#	Criterion	Evidences	✓
1	The table compares Marketing's stated belief against real customer feedback.	LU2	
2	Every gap is tagged Technical Quality or Value Quality.	LU2	
3	The table can explain how reply times improved while perception worsened.	LU2	
4	Three gaps are ranked by urgency, with a reason for the ordering.	LU2	
5	Each gap has an observable definition of 'closed' and a named owning team.	LU2	

Debrief check

Every group can show a gap-analysis table comparing Marketing's internal belief against real customer feedback, with the top 3 perception gaps ranked and one concrete action proposed for each.
