Self-check — Customer Perspective Analysis

Tick each item you have completed. Any blank is a gap to close before your group presents at the debrief.

#	Criterion	Evidences	✓
1	Three roles were assigned and the Observer stayed silent during the call.	LU2	
2	The Observer can cite specific moments for each of the three P's.	LU2	
3	The emotion behind Priya's words is named separately from her literal complaint.	LU2	
4	A one-sentence non-judgemental paraphrase is written and tested on 'Priya'.	LU2	
5	The insight is actionable by the relaunch team, not a restatement of the complaint.	LU2	

Debrief check

Every group can show a completed customer-perspective analysis that names the emotion behind Priya's words (not just the words themselves), cites a specific moment where a P was applied or missed, and closes with one actionable insight for the relaunch team.
