Self-check — Brand Activation Planning Workshop

Tick each item you have completed. Any blank is a gap to close before your group presents at the debrief.

#	Criterion	Evidences	✓
1	The core message answers the personalisation gap by demonstration, not assertion.	LU3	
2	Each of the 3-4 channels has a distinct, non-overlapping job.	LU3	
3	The experiential element passes relevant / emotional / shareable.	LU3	
4	It survives the 'would they post it without a prize?' test.	LU3	
5	A brand-recall metric is defined that is not attendance or impressions.	LU3	
6	A timeline and budget split exist.	LU3	

Debrief check

Every group can show a campaign plan naming 3-4 channels, one core message traceable to the brand concept, one experiential element with a clear rationale, and a brand-recall metric for measuring success — not just a reach or attendance number.
