Self-check — Platform Reputation Audit

Tick each item you have completed. Any blank is a gap to close before your group presents at the debrief.

#	Criterion	Evidences	✓
1	The missing pre-relaunch baseline is called out explicitly.	LU4	
2	Three platforms chosen for signal, including where customers complain.	LU4	
3	Each platform has at least one leading and one lagging indicator with a source.	LU4	
4	A test exists to separate genuine shift from campaign-week hype.	LU4	
5	A one-sentence Board verdict is written, backed by evidence.	LU4	

Debrief check

Every group can show a platform-by-platform audit naming at least one leading and one lagging indicator per platform, and can state in one sentence whether the evidence shows a genuine reputation shift or just a relaunch-week spike.
